

UPM Unique™ Lux

As the name suggests, the high white UPM Unique Lux C1S face paper is designed for luxurious labelling of high-end products. With its exceptionally smooth and glossy surface and high whiteness, you can trust that UV-flexo printing and applications, such as metallizing, will look amazing. Adding embellishments with foil stamping and embossing is straightforward. With this strong paper, even the most demanding die cutting and matrix stripping is beautiful and precise, allowing your creativity to bloom.

- High whiteness
- For premium labels
- Gloss
- Metallizing
- Foil stamping
- UV-flexo
